BEYOND THE RESUME

PURPOSE:
Know how prepared you are for your professional future by analyzing your past

EXERCISE:
Think of every job, internship, project, hobbie, club, or church calling you have been involved with in the past.

Choose three relevant professional experiences.

For each experience you will fill out a chart found on the back of this sheet that will outline the

<table>
<thead>
<tr>
<th>Briefly describe your experience:</th>
</tr>
</thead>
<tbody>
<tr>
<td>What did you contribute to this experience that no one else contributed?</td>
</tr>
<tr>
<td>What part of the experience gave you a sense of satisfaction or fulfillment?</td>
</tr>
<tr>
<td>Which outcomes reflect your personal development?</td>
</tr>
</tbody>
</table>

RESULT:
Based on this experience:

What were three strengths you exhibited?

What were three weaknesses you exhibited?

What three things did you discover you value or need in a future position?

APPLICATION:
1. Find internships or jobs that align with your results.
2. Fill the gap between your results and the requirements listed in those job descriptions by pursuing experiences that will provide you with those professional competencies.
